

# Photo Analysis

## Bullfighting in Colombia

Study the photo(s) carefully for a few minutes and complete the questions listed below. Make sure you use evidence from the photo to support your answers when needed.

1. List the objects you see in the photo such as people, buildings, and animals.
2. List any activities you see taking place in the photo such as farming, sporting, or leisure activities.
3. Are the activities that you see in the photo similar to other activities you have seen in other places or other cultures around the world? In what ways?
4. If you think the activities in the photo are similar to those in other places or cultures of the world, how do you think they got to the place pictured in the photograph?
5. If there are any people in the photo, describe the clothing they are wearing. Is the clothing traditional/native, modern, or similar to clothing you have seen in other areas or of other groups of people?
6. Are there any similarities you see in the photo with human activities, sport, clothing, etc... in the area in which you live? Give examples and explain.
7. After analyzing the photo(s) of bullfighting in Colombia, why do you think that some people may be against bullfighting? Why might some people wish to continue bullfighting?
