Apple Brain Teaser

Sarah, Anita, Damien, Sharon and Matt were called to the office during their daily fruit break. They left their apples on the teacher's desk to eat when they go back to the classroom. Since all the apples were red, telling them apart was a bit tricky. The only difference was in size. The pile of apples had one of each size: 2 ounces, 3 ounces, 4 ounces, 5 ounces and 6 ounces.

Sarah knows hers was the smallest.

Anita said hers was larger than Sharon's but smaller than Damien's.

Matt said his was probably the largest.

Who owns which apple?
